

September 17, 2009

Dear Parents,

The PALS Board would like to take this opportunity to tell you a little more about NSU Elementary Lab School's PALS (Parents at Lab School) organization. We know there are many of you who already know who we are and what we do but for those who are new to our school, we hope this letter will be informative.

PALS is a volunteer organization consisting of parents of Lab school children who help organize, plan and implement certain activities which pertain to our school and our children. We are responsible for the majority of the fund-raising and help decide how those funds should be utilized. We also assist with special events such as the Ice Cream Social, Teachers' Christmas Luncheon, Author's Tea, Field Day and Teachers' Appreciation Luncheon. We also provide the agendas each year.

We would like to ask you to consider joining the PALS organization. Your time, ideas and suggestions could make a huge difference in your child's school.

PALS meets on the third Wednesday of every month (except December) from 12:00-1:00. We will meet in the second floor conference room. You do not have to attend the meetings to be involved with PALS. To join just fill out the form on our website, nsuelab.org, and return it to school. The PALS Board is entirely new this year, so it is and will continue to be a learning experience for us all.

We are looking forward to a wonderful school year! We hope to see you at the next meeting!

PALS Board
